### 3. Supervisory Activities of the BOS over the BOD, the Executive Management, and Shareholders

During the reporting period, the Board of Supervisors carried out supervisory activities over the BOD and the Executive Management, with the results as follows:

- Supervision of the BOD's activities:
  - The BOD performed its functions, duties, and powers in accordance with the Law on Enterprises, the Law on Securities, the Company Charter, and other relevant legal regulations.

- The BOD organised the implementation of matters under the Resolutions of the GMS, and issued resolutions and decisions within its authority to provide direction and guidance and to create a basis for the Executive Management to administer the Company's operations.
- Meetings, the collection of opinions, and the issuance of resolutions of the Board of Directors were carried out in accordance with the proper order, procedures, and authority; BOD members participated fully and responsibly in reviewing, discussing, and deciding on matters within their authority.
- In the assessment of the BOS, the BOD effectively performed its governance role, ensuring a proper distinction between the governance function and the executive function; the BOD's decisions were duly issued within itsauthority, contributing to enhanced operational efficiency and serving the interests of the Company and its shareholders.

• Supervision of the Executive Management's activities:

- Supervision of the Executive Management's organisation and implementation of the Resolutions of the GMS and the BOD, and confirmation that the administration of business operations was carried out in line with the objectives, plans, and directions approved by the competent authority.
- Supervision of the preparation of the Company's Financial Statements and business performance reports, which showed that the reports were prepared in compliance with Vietnamese accounting standards and relevant legal regulations, ensuring accuracy, transparency, and completeness.
- Supervision of compliance with information disclosure obligations, which showed that, during the period, the Company made full, timely, and proper information disclosures in accordance with regulations.
- Supervision of the organisation and operation of the risk management, internal control, and compliance systems, which found that the Executive Management had duly directed the implementation of risk governance and control measures and ensured financial safety in administering the Company's operations.

In the assessment of the BOS, the Executive Management fully performed its functions, duties, and powers in accordance with the law, the Company Charter, and the resolutions and decisions of the GMS and the BOD. The division of duties among the members of the Executive Management was carried out clearly, in line with each member's function and area of responsibility; regular briefing meetings and periodic reporting were consistently maintained, contributing to improved governance and administration efficiency and the timely handling of emerging issues.

## 4. Coordination between the BOS and the BOD, the Executive Management, and Other Managers

During the reporting period, the BOS consistently received close, active, and responsible cooperation from the BOD, the Executive Management, and the Company's managers in carrying out its inspection and supervisory functions as required.

- The BOD, the Executive Management, and specialised departments provided timely and complete information and documents relating to the Company's business operations, and designated focal-point personnel to coordinate with, provide explanations to, and support the BOS as required.

- The BOS sent representatives to attend all meetings of the BOD in full, ensuring the direct and continuous performance of its supervisory function.
- The BOS proactively prepared and notified the BOD and the Executive Management of its working plan and its inspection and supervision plan for the period, and cooperated effectively with functional departments in carrying out its duties.

**5. Other activities of the BOS**

- The BOS regularly updated on and studied newly issued policies and regulations to ensure the full performance of its rights and responsibilities as required.
- Fully performed other duties of the Board of Supervisors in accordance with the Law on Enterprises, the Company Charter, and other relevant legal regulations.
